PETITIONING THE COURT

To issue a summons and to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 12/27/2017 and 01/18/2018.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number Nature of Noncompliance

4

Special Condition # 19: You shall abstain from the use of illegal controlled substances, and shall submit to testing (which may include urinalysis or sweat patch), as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: On February 2, 2016, the offender reported to the U.S. Probation Office for the purpose of an intake. It was at that time the offender was informed of all mandatory, standard, and special conditions of supervised release. The offender acknowledged she understood her obligation to the Court.

Ms. Hanlan violated her terms of supervised release by failing to abstain from illegal controlled substances by consuming methamphetamine.

On January 23, 2018, Ms. Hanlan submitted a urinalysis that tested presumptive positive for methamphetamine. Ms. Hanlan has admitted to the undersigned, and via a signed document, that she last used methamphetamine on January 19, 2018.
